

New talent sources for employers

Connect to a pool of skilled immigrant talent through
the Professional Immigrant Networks

PINs is a community of immigrant associations through which employers can build their brand among new, established and prospective immigrants. Tap into skilled talent from over 40 immigrant associations representing a wide range of professions across the Greater Toronto Area.

HOW EMPLOYERS CAN ENGAGE

Recruit talent

- Host information sessions to explain how your recruitment process works
- Circulate your job postings to sector-specific or ethno-specific immigrant associations
- Hold a recruitment event with pre-screened candidates

Build relationships

- Hold site tours and information interviews to help immigrants learn about your organization
- Build your profile by speaking at association events
- Provide complimentary meeting space for associations
- Provide opportunities for association members to job shadow your staff
